

TROOP 935

MASTER CAMPER AWARD

APPLICATION FORM

The Troop 935 Master Camper Award is a special unit award which encourages Scouts to take full advantage of various camping opportunities that Scouting offers. To earn the award, the Scout must meet three requirements that are only achievable by frequently participating in camping events offered throughout the year with the Troop, plus one additional non-935 long-term event. This participation will not only help with honing camping skills, but also greatly assists in the development of leadership skills and provides exposure to incredible Scouting activities only offered beyond the scope of the Troop's events.

1. Camp 35 Nights (other than summer camps)
