Who: Whoever wants to come! All Boy Scouts, friends, parents, siblings, Webelos... all are welcome! Work on Cub Scouts Swimming Belt Loop or Sports Pin; Webelos Aquanaut or Sportsman; Boy Scout 2nd & 1st Class swimming requirements.

Reason: not JUST for fun, as always we try and accomplish things while we're having a good time. Here we work through the swimming requirements for 2nd & 1st Class. We start off with the Swimmer's Test so we can get a look at who may need some preparation for summer camp. We're also going to do the clothes inflation, so each boy needs to bring a pair of jeans, a belt, and a flannel or button down long sleeve shirt – they will go into the pool! We are doing a clothes inflation exercise like they need to do for Swimming Merit Badge. Not only is this really fun, it'll also prepare them for the merit badge that they'll eventually take. As always, older guys need to be there to do the teaching of these skills. After all this, a game or two of sharks and minnows usually breaks out.
