When: Election Night – November 6th at 7:15pm; sign in at the front desk and get your trunks on! We get out of the water at 8:30.

Cost: \$3.00 pay at front desk when signing in

Who: Whoever wants to come! All Boy Scouts, friends, parents, siblings, Webelo Dens... all are welcome! Work on Cub Scouts Swimming Belt Loop or Sports Pin; Webelos Aquanaut or Sportsman; Boy Scout 2nd & 1st Class swimming requirements.

Reason: not JUST for fun, as always we try and accomplish things while we're having a good time. We start off with the BSA Swimmer's Test. After that we work on the rescue requirements for Boy Scout 2nd & 1st Class ranks. We're also going to do the clothes inflation, so each boy needs to bring an old pair of jeans (no holes!), a belt, and a flannel (works best) or button down long sleeve shirt – they will go into the pool! We are doing a clothes inflation exercise like in Swimming Merit Badge. Not only is this really fun, it'll also prepare them for the merit badge that they'll eventually take. As always, older Scouts will be teaching these skills. After all this, a game or two of sharks and minnows or basketball usually breaks out...
