Troop 935 Discipline Policy

The Boy Scouts of America have two "sets of ideals" which govern the conduct of any Scout. These are the SCOUT OATH and the SCOUT LAW. When a boy becomes a Scout and at the beginning of each meeting he promises to try to live these ideals. A list of rules and regulations would do nothing more than repeat what is already contained in the Scout Oath and Law. Every Scout in Troop 935 and every guest attending any Troop 935 function is expected to behave according to the Scout Oath and the Scout Law. Our procedure for dealing with Scouts who become a behavior problem is as follows:

- General discipline within the Troop is the ultimate responsibility of the Scoutmaster or the Leader in Charge of an activity. ***Unacceptable behavior that will not be tolerated include but are not limited to lying, stealing, fighting, swearing, failing to follow directions, or taking part in discussions of topics not appropriate for Scouting. It is inappropriate and unacceptable to 'talk back' to any leaders, or be unkind to any other Scout.***
- Boy or Adult Scout leaders of this Troop are NOT to be disciplinarians of any boy, and will not attempt to fill this role for a boy's parents.
- The Scout must realize that at all times he represents The Boy Scouts of America, Buckeye Council, Troop 935, and lastly, themselves to the people around him and must be on his best behavior at all times as said representative.
- Any boy who misbehaves will meet and discuss with the Scoutmaster or Leader in Charge, in an attempt to solve the problem. This may be the only warning the boy will receive that his behavior is not acceptable.
- If a Scout's behavior continues to contradict the Scout Oath and Scout Law after a reasonable effort has been made, then the Scoutmaster or Leader in Charge may decide that it is necessary to have the Scout's parent retrieve him, regardless of location and time.
- Before the Scout can resume activities with the Troop, a conference is to be held with the Troop Committee representative, Scoutmaster, Scout, and Parent/Guardian to decide an appropriate course of action. At a minimum, the Scout shall be suspended from attending or participating in any Troop 935 Scouting function for one week.
- If the Scout's behavior has not improved after the above steps the Scoutmaster may request the Troop Committee's involvement to resolve the situation.

Troop 935 Medication Policy

Please read the following if your son needs to given medication while participating in this activity.

- All medication to be hand delivered by the parent or guardian to the Scoutmaster or Leader in Charge of an activity prior to departure for this activity.
- Scout leaders will return said medication to parent or guardian upon returning from activity.
- All medication shall be in a plastic zip-lock bag that has the Scout's name clearly printed on it.
- Only the proper amount of medication for the time frame of this activity shall be sent.
- Do not send full bottles of medication.
- All medication must be sent in the original prescription bottles.
- A printed note from the parent/guardian must be in the zip-lock bag and must contain:
 - parent/guardian's name, phone number, and signature;
 - the time of day the medication is to be given;
 - proper dosage for each medication;
 - any other instructions or information pertaining to the medication.

Failure to do any of the above will mean your Scout will not be allowed to participate in this activity!
