

Good Turn Weekend

Seven Ranges Scout Reservation
April 16th, 2011

A requirement for pipestone is for every camper, youth and adult, to participate in an approved project to maintain or improve Seven Ranges Scout Reservation.

This year the troop erected a new gate for Outdoor Skills, trimmed trees, hauled mulch to the C.O.P.E course, and busted thorns in camp Calumet.

Pictured above the Troop stands proudly in front of the new gate to Outdoor Skills.
